The girls in uniform are perhaps the most colorful groups at Hewitt.

The Varsity Cheerleaders were rated the number one varsity squad in Alabama by the Southern Cheerleader Clinic. They cheered at the nationally televised Blue-Gray game. The group is sponsored by Mrs. Lydia Hughes.

The Highsteppers received a superior rating at the University of West Georgia at the Hoover Invitational Band Festival and at the Homewood Band Contest. Mrs. Wanda Wright is their sponsor.

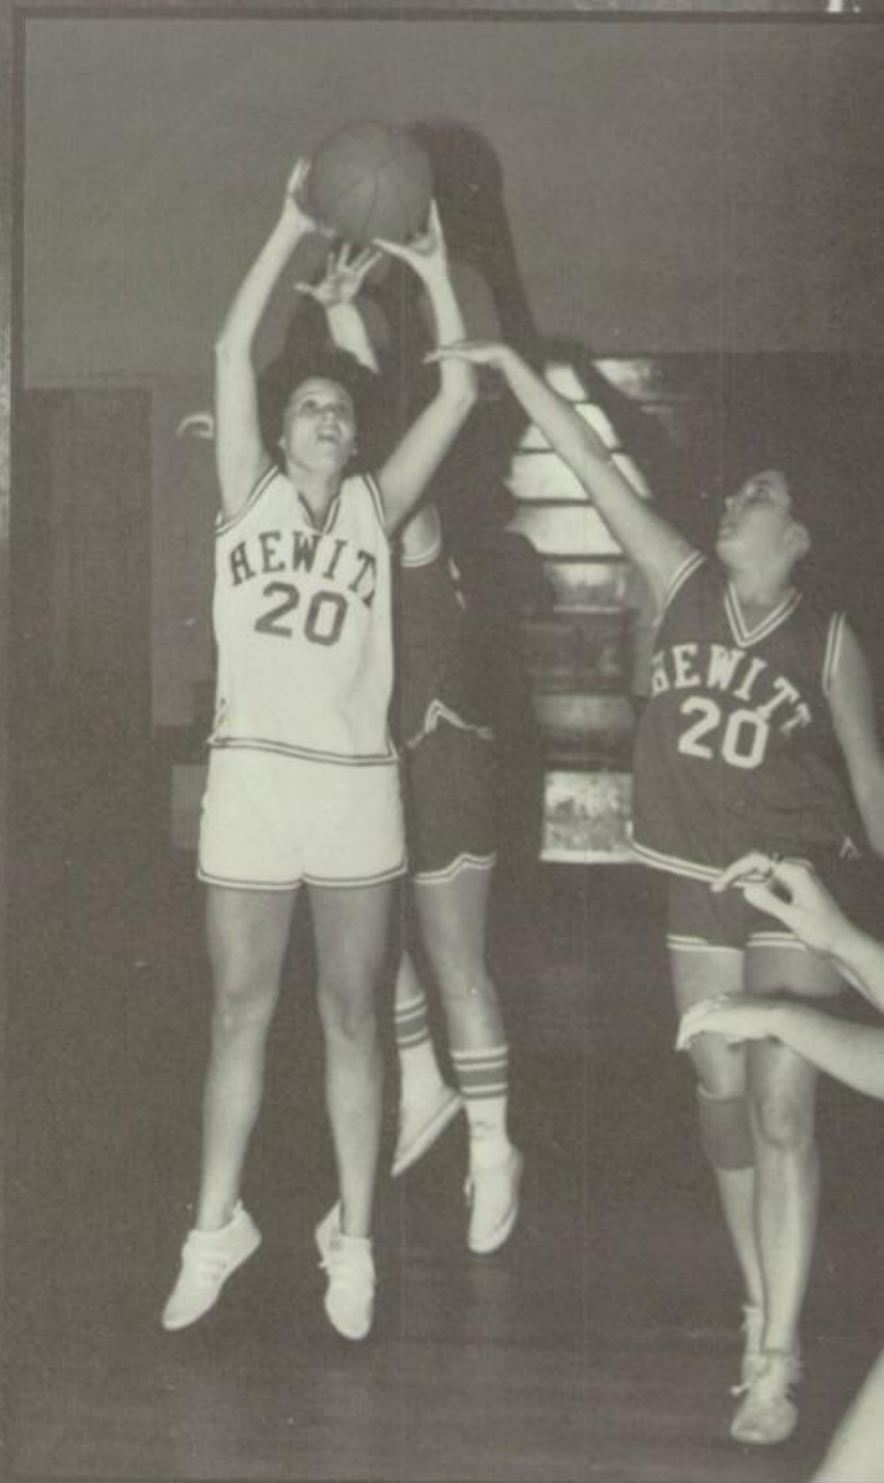

The Colorguard received a superior rating at the Hoover Invitational Band Festival and an excellent rating at the Homewood Band Contest. The Senior Colorguard raises the flag at all home football games. They are sponsored by Mrs. Winifred Owens.

The Majorettes are sponsored by Mrs. Boots Weaver and they received superior ratings in all their competitions. They competed at the Homewood and Hoover Band Competitions. At the Hoover Festival they were presented a trophy for being the best in their division.

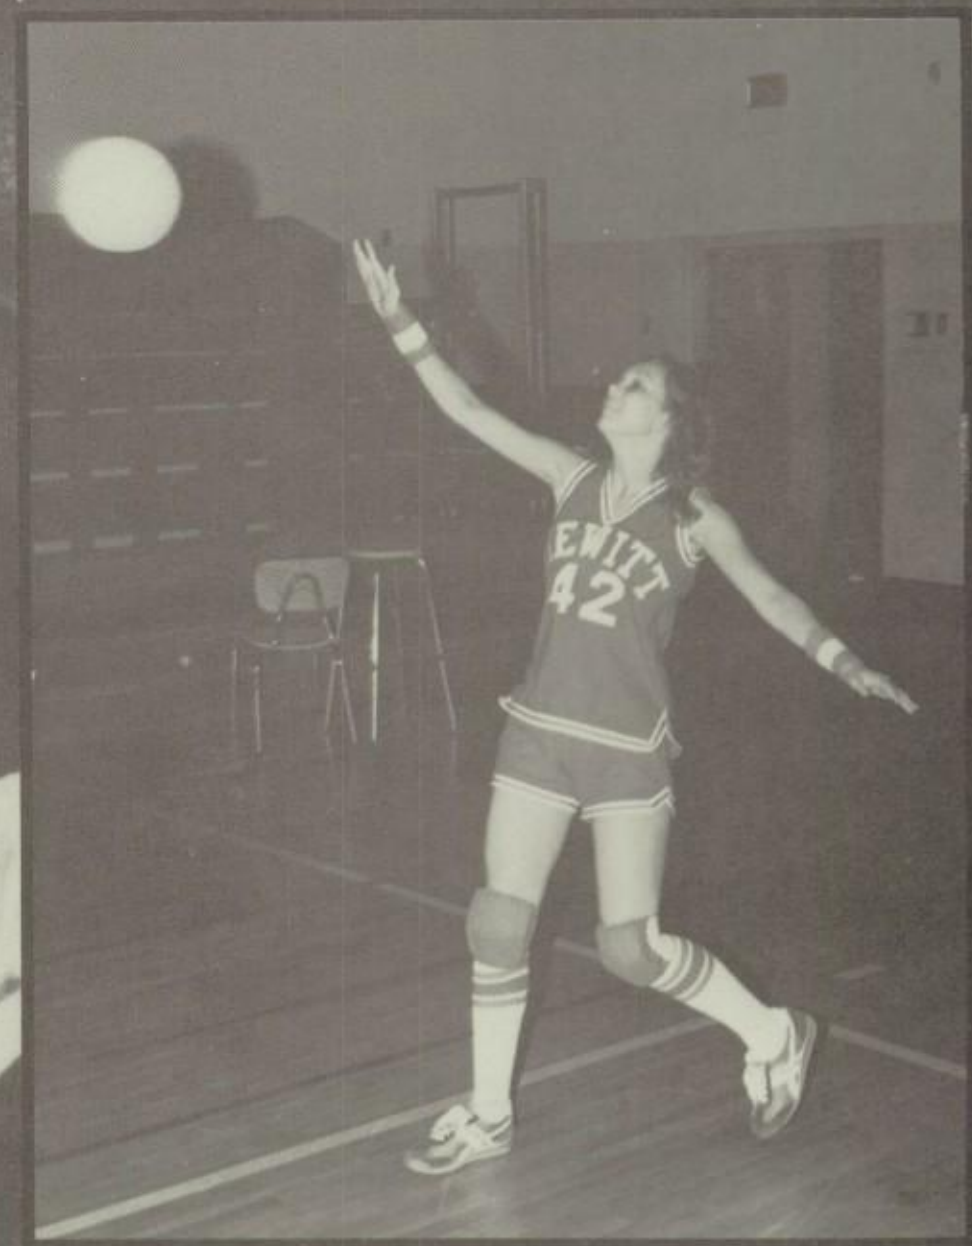

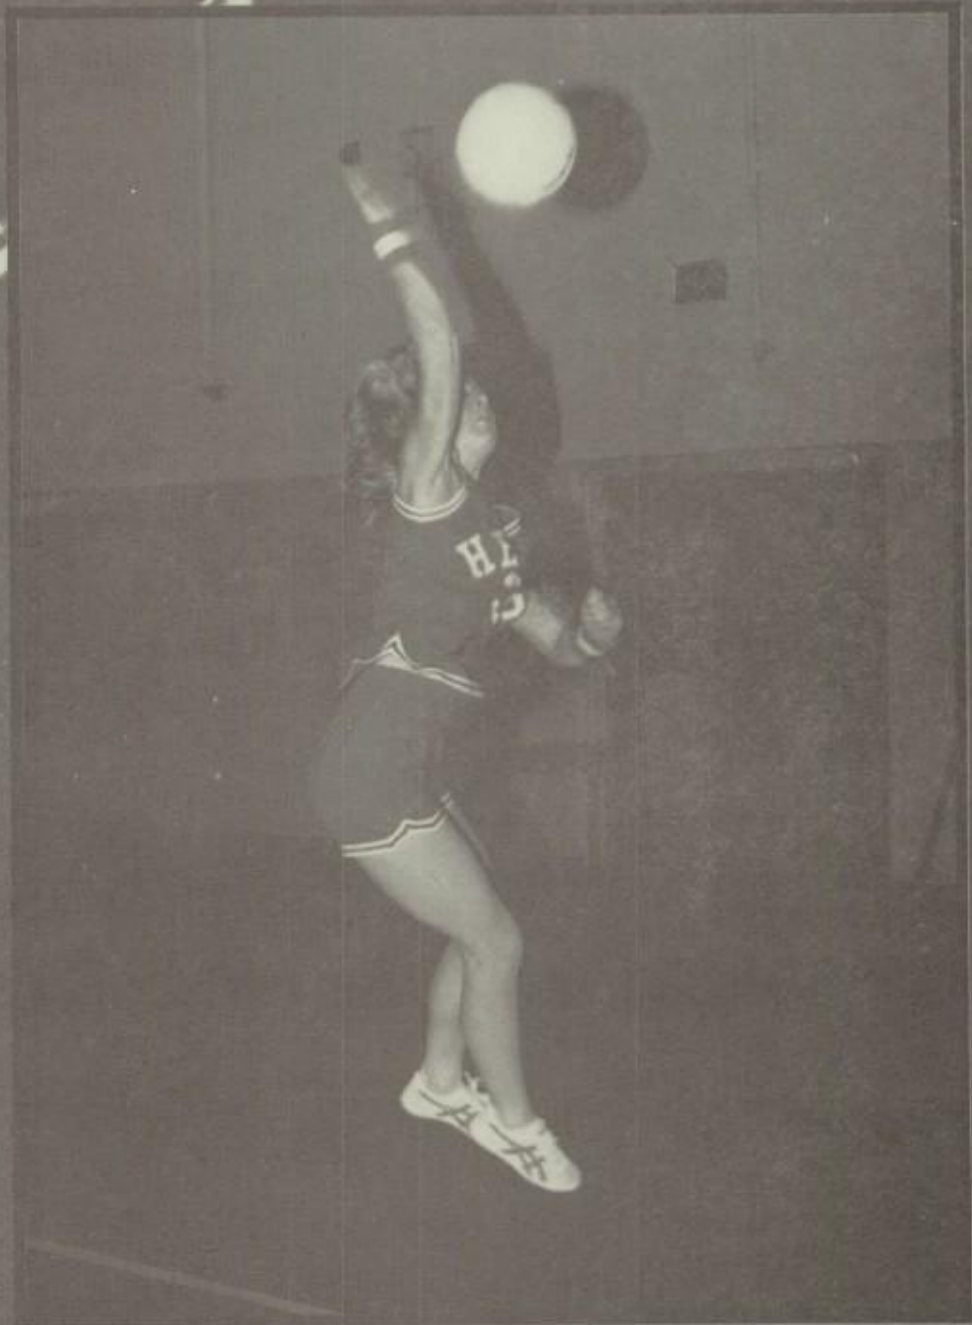

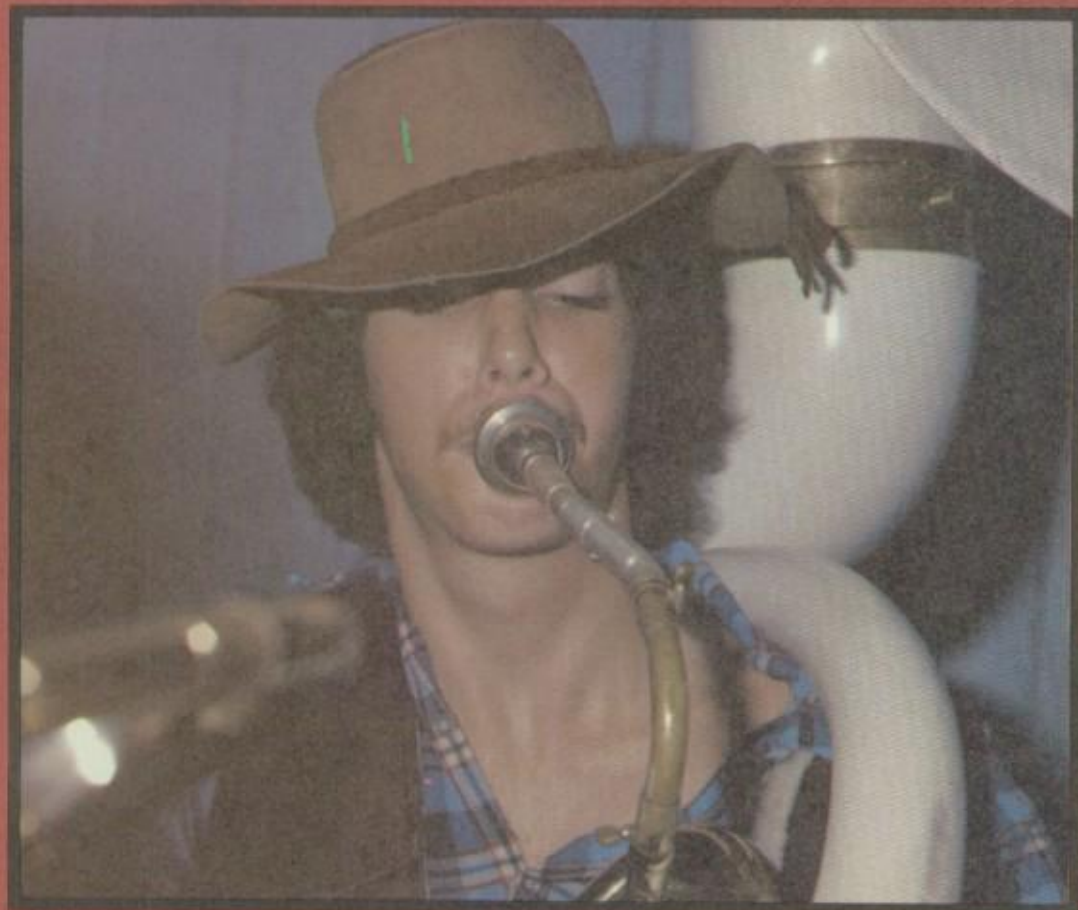

Physical education department  
 has always been an integral  
 part of the school. Last year, the  
 department was reorganized and  
 the following teachers were assigned  
 to the various classes.

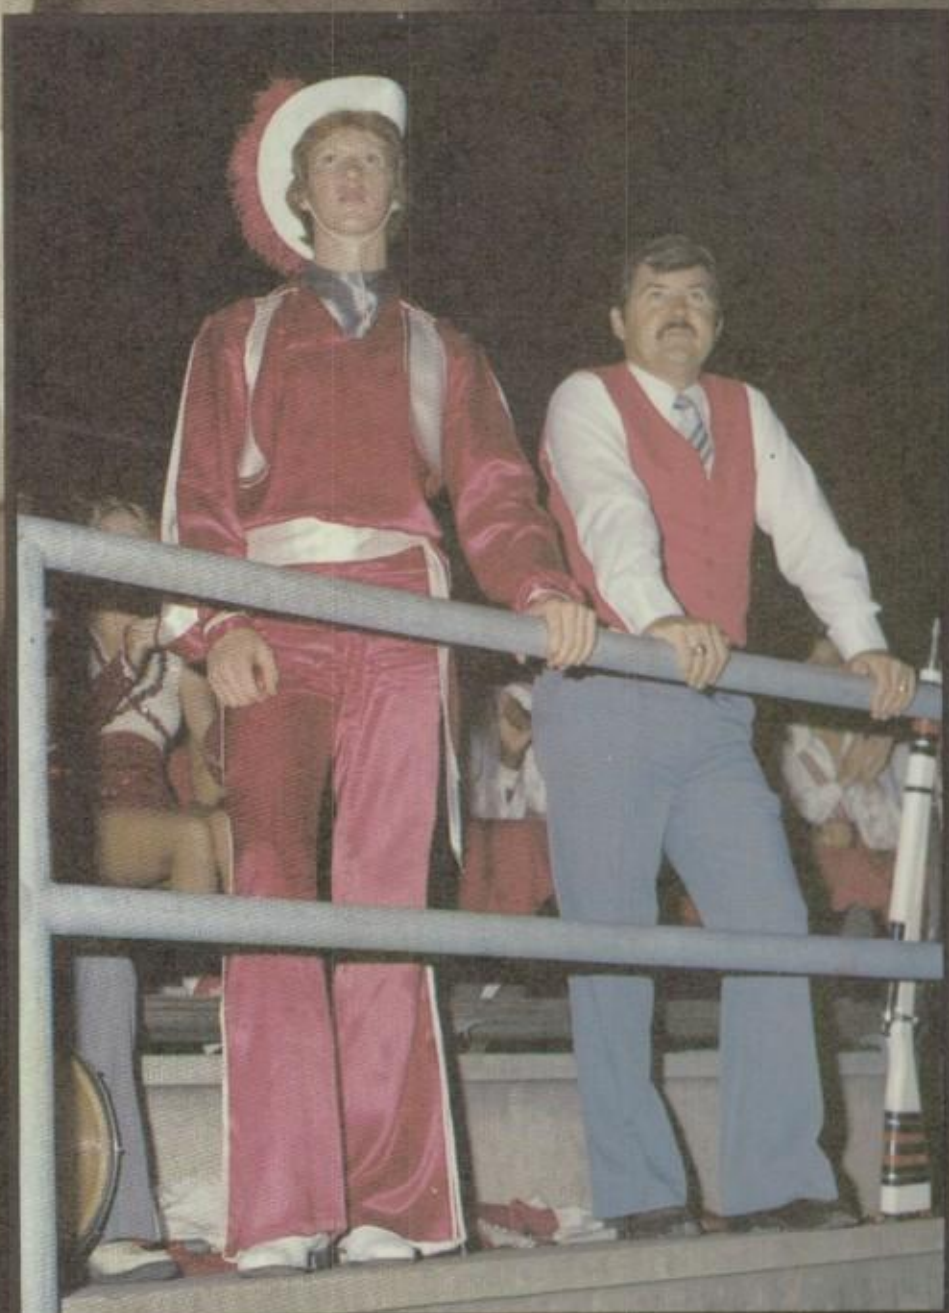

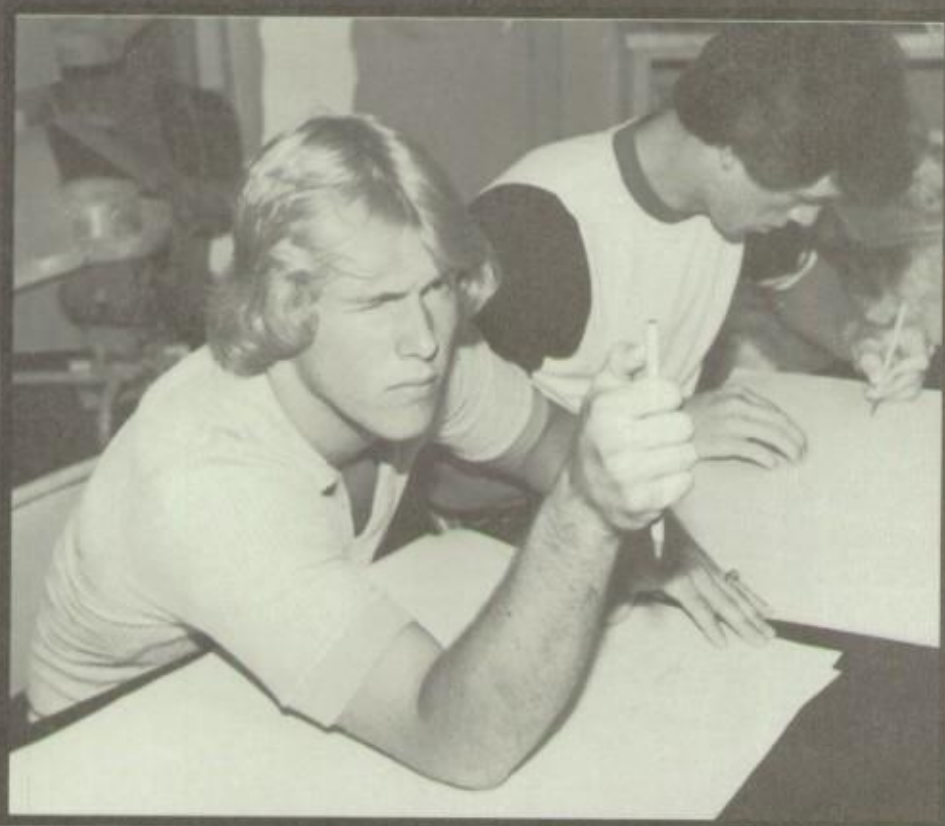

The Nowata Nowata High School Husky Marching Band, under the direction of Mr. Joe Summers makes a habit of receiving high honors at competition. They are known statewide for their marching and performing abilities.

The stage band performs at most school assemblies, the Miss Hewitt Pageant, the Band Christmas program, and the Band & Band in the Spring. The concert band schedules two concerts a year as well as district and state competitions.

The Hewitt-Longville High School Art Department is headed by Mr. Eugene Rich and Mrs. Ann Frost. The general classes range from calligraphy and crafts to art and advertisement.

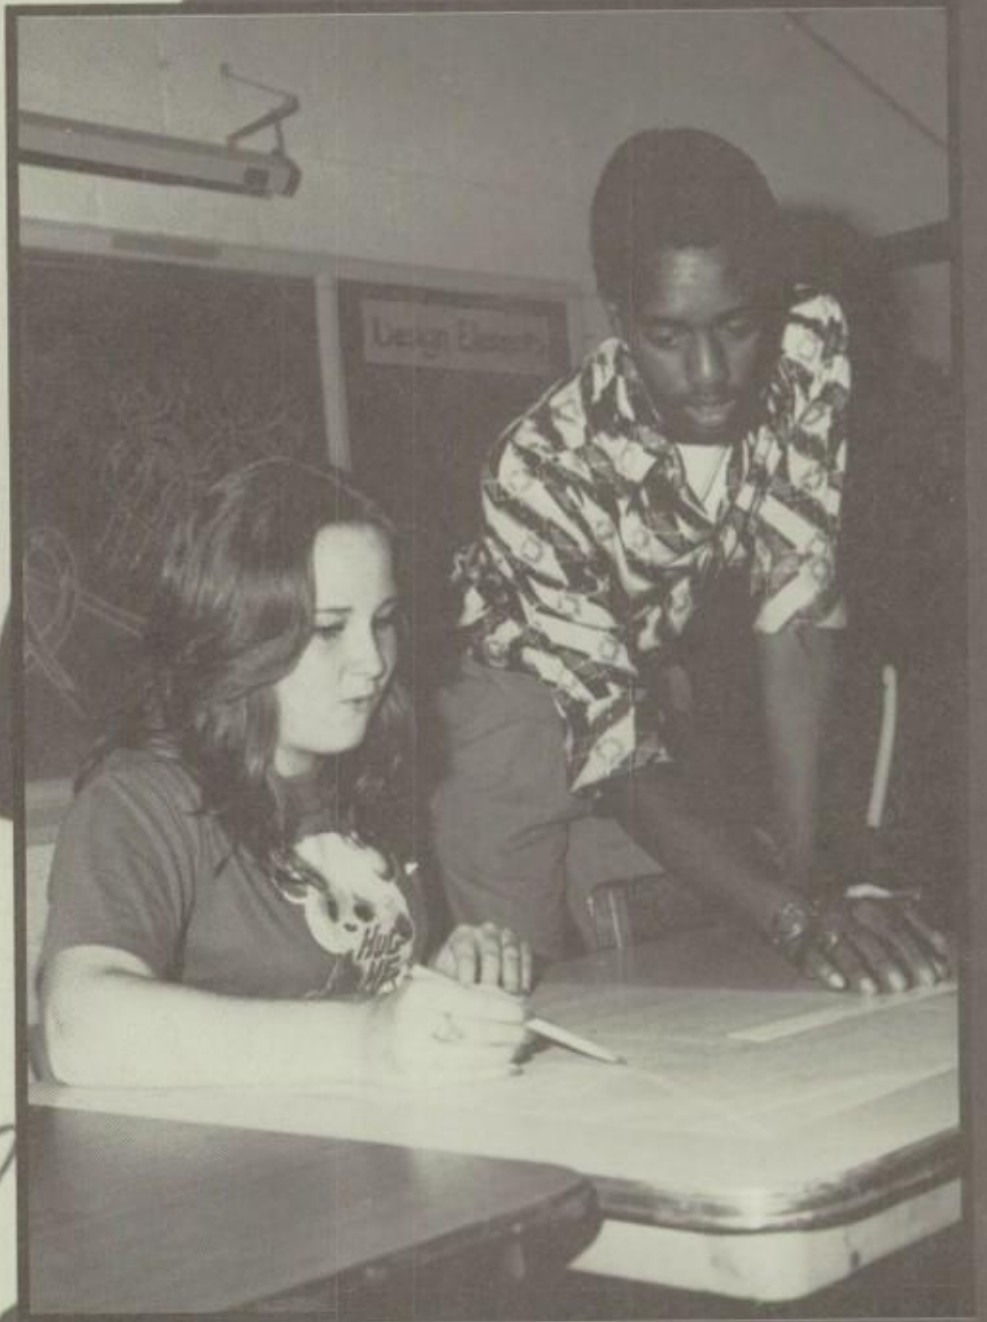

In addition to the work in the classroom, the art department is called upon to decorate (and does a tremendous job) for all occasions such as the homecoming dance and the prom. They also decorate the lobby of the main building for each holiday season.

Examples of all the kinds of work done in the art department can be seen each year at the spring art show which is held in the gym.

The Boy's Physical Education Department at Hewitt offers the usual sports: football, basketball, baseball, wrestling and track. They also have teams in tennis and golf. The wrestling and tennis teams are coached by Coach Page, basketball by Coach Ivey, baseball by Coach Hulsey and football by Coach Stewart and Coach Parker. Coach Stewart also works with the golf team. In addition to the usual team sports the P.E. department offers an intramural program which is co-educational with the girl's P.E. department.

The Choral Department is headed by Mrs. Dorothy Ward who is in her second year at Hewitt. The Choral program involves the Mixed Chorus, the Jazz Ensemble and the Concert Choir. The department as a whole through its various parts participates in many of the programs at Hewitt. The Jazz Ensemble sang at the Miss Hewitt Pageant and the entire department will have a Christmas Concert and a Spring Concert to which the public will be invited.

## Dedication

The 1980 Annual Staff proudly dedicates this issue of the *MEMENTO* to Mrs. Edna Hall Gruman.

Mrs. Gruman is a teacher of Junior English and has been at the Hewitt-Trussville High School for fourteen years and taught two years at the Junior High School before coming here. She has a bachelor's and a master's degree from the University of Montevallo and still takes courses there from time to time just to add a little interest to things.

In addition to teaching English, Mrs. Gruman sponsors the school newspaper, *The HUSKY HOWL* and the girl's Service Association, better known as the S.A.'s. Under Mother Gruman's direction, these girls have won the Club of the Year award so many times they feel it belongs exclusively to them.

Mrs. Gruman and her husband Shelton, a retired executive of the *BIRMINGHAM NEWS*, have two sons. The boys have made A's with their parents in the form of three grandchildren, Ariel, Anissa and Andrew.

Butch,  
Had a great time  
this year & really  
do hate to see it go.  
Will have to stay  
in touch. after those  
long 40 hour weeks  
off slave labor, we  
still will have to  
get together and have  
some crazy parties, on  
the weekends. you're  
a cool guy and I'm  
glad to have know  
ya.

Stay cool

The Hewitt Trussville High School is an integral part of the Jefferson County Board of Education, the largest suburban school system in Alabama. The School Board consists of five citizens, elected by popular vote, to serve staggered, six-year terms as the decision and policy-making body.

The Board operates under the committee system to approve educational programs, new construction projects, and employ the necessary personnel to effectively operate the school system. Mr. Randall I. Godwin is chairman of the administration committee and Mrs. Betsy Faucette is co-chairman. Dr. Jack M. Dabbs serves as chairman of the support operations committee and Mrs. Robert W. Gwin is co-chairman. The president of the School Board, Mr. Jack E. Brymer, Sr., serves as ex-officio member of each.

Dr. J. Revis Hall serves the Board as superintendent and secretary and is responsible for carrying out the Board's decisions.

# SENIORS IN 19??

The Annual Staff discovered that several of the faculty members at Hewitt were also graduates of the school. A little looking brought to light their senior portraits from the years they graduated. They have been reproduced here without names or dates. Can you identify these faculty members and the year they graduated from Hewitt? (See page 175 for the correct answers.)

Throughout the years it has been customary to dedicate the high school yearbook to special members of the faculty. Insofar as the records of past annuals exist, the staff has compiled this list of past dedicatees of the MEMENTO with pictures of those who are members of the present faculty. The pictures used are those from the yearbook of the year of dedication. Many of the past favorites will be unknown to the student body, but vividly remembered by their parents or older brothers and sisters.

# Haunted House

Did somebody call "Mother?"

The Hewitt Trussville Band needed to raised some money to pay for uniforms and trips. They got together and decided upon a haunted house. The band members worked three weeks to prepare it before opening. They called it "Adams Manor". Included in this haunted house were the mad butcher, Frankenstein, Lizzie Bordon, and the famous red room.

The band put a lot of effort in this idea and took a lot of their time in it; they raised over \$4,000.00 dollars with "Adams Manor."

Brotherly love.

I refuse to do it, Mrs. Roby.

Kelly Waid, head

The Hewitt-Trussville Varsity Cheerleaders had a very exciting 1979-1980 season beginning with hard summer practices to prepare for the Southern Cheerleading Clinic held at Huntington College in Montgomery. There they received an award for presenting the Most Outstanding Pyramids in the Clinic and an award for being one of the most spirited squads participating. The climax of the Clinic, however, resulted when they received the honor of being best Varsity squad. For this honor, they were asked to cheer at the nationally televised Blue-Gray football game. The work didn't end with the Clinic, however, it had only just begun. Immediately upon returning home, the cheerleaders began preparing for the upcoming football season. Throughout the year, the practice never stopped; so when the winter seasons of basketball and wrestling arrived, the girls were ready to cheer for them also. Throughout the year, the squad was under the excellent leadership of their sponsor, Mrs. Lydia (Lidja) Hughes. Mrs. Hughes inspired the girls both spiritually and emotionally. They would never have accomplished what they did without her guidance.

The Student Council is the organization elected by the Student Body of the school to represent the students in school-wide decisions. The group sponsors such school-wide activities as the Homecoming parade, court and dance, stunt-night, honor class and the club of the year awards. They also schedule and arrange assembly programs and supervise club activities. To finance the activities, the members sell football booster badges and operate the concession during the basketball season.

Expressing themselves to others in Arts and Crafts is the main function of the Art Club. The exciting use of the Arts in the form of hall decorations and door decorations are two ways they add texture and design to Hewitt. Painting on the large mirror in the lobby provides the Art Club with the means to add to the holiday seasons. To further the Art students' experiences beyond classroom activities, the art club tries to do a big project for the school each year, learning new techniques and sharing their appreciation of art with other students. They hope everyone enjoys and experiences the beauty Art can provide.

The purpose of the Girl's Athletic Club is to promote interest in athletics and to develop better sportsmanship among the students. In order to be eligible for G.A.C. a girl must maintain an A average in physical education and an overall C average in academic subjects. She must also score 100 points on the physical fitness chart established by the physical education department. The sponsor is Miss Pat Skelton.

One of the special duties of the Color Guard each year is the raising and lowering of the flag at each football game. At one of the games this year, a bit of extra excitement was added to this duty. As you can see, the rope broke. While the fans looked on, the Color Guard watched and waited nervously to see if the flag could be lowered properly without the use of the rope. To everyone's surprise, everything worked smoothly, and here they paused for a quick photo.

# CHORAL DEPARTMENT

After starting with less than 25 students in the entire choral department, the program started out with 89 students at the beginning of 1979 school term. Hopefully the choral department will have over 100 by next year and will be on its way to an important role in student activities.

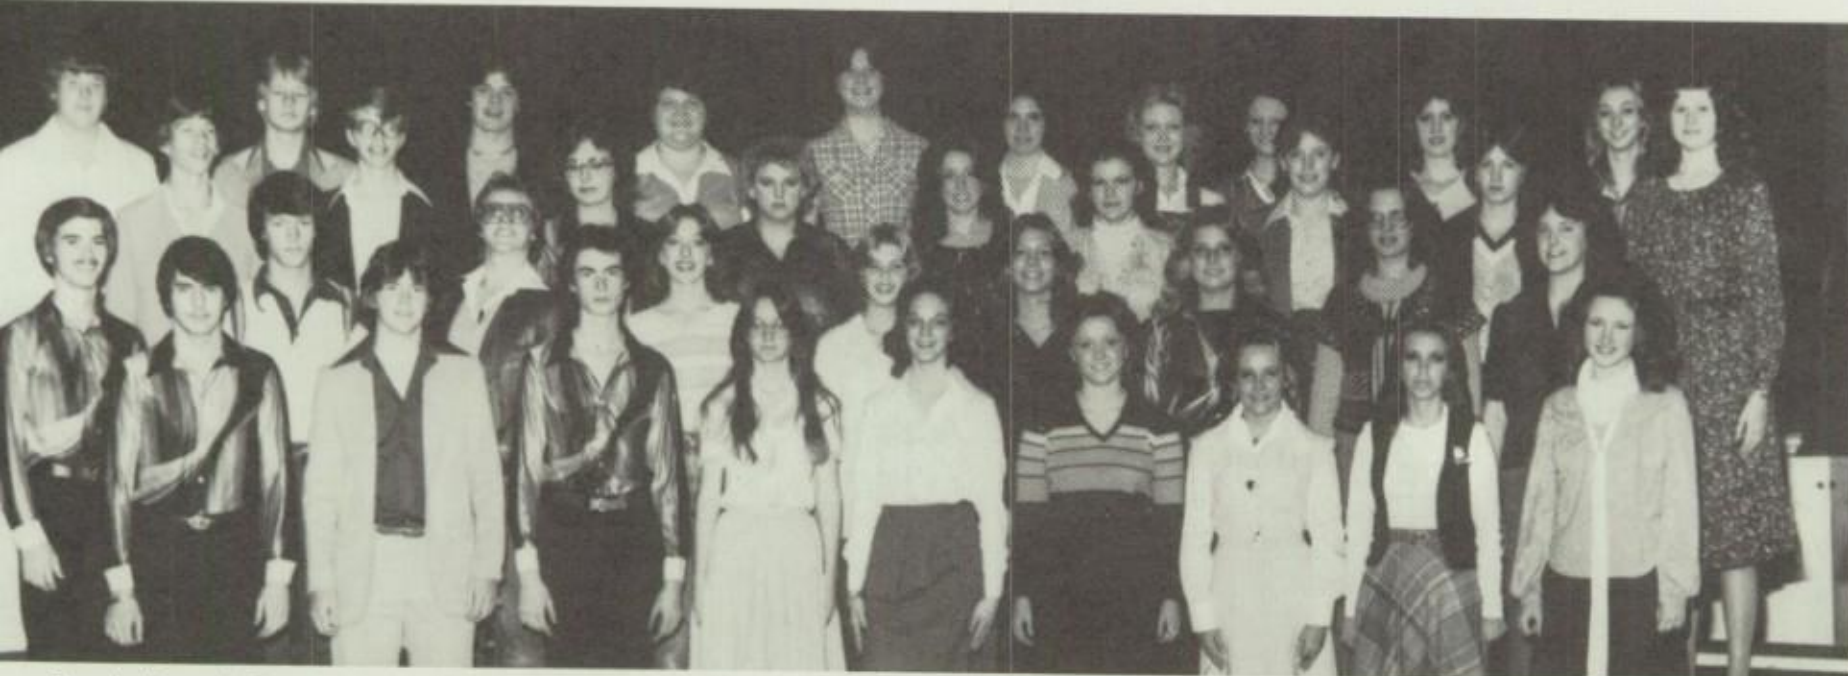

This year the choral department participated in several activities, including field trips to the "Gregg Smith Singers," an opera and the All-County Music Festival. Students also had the opportunity to audition for All-State Chorus at Auburn.

The choral department tries to do a variety of music, including popular and serious music as well. Students are also required to learn how to read music, but reading music is not a requirement to get in a choral class. Anyone who likes to sing and is interested should contact Mrs. Ward.

# HIGHSTEPPERS GIVE

The Hewitt Highsteppers worked very hard this year and were well rewarded for their efforts. They attended National Drill Team camp at the University of West Georgia. At this camp they received 2 Superior trophies. They were also voted on by the other teams as Team of the Week. In Homewood and Hoover marching festivals they also received Superior ratings. They attended State competition in their division. They were directed by Mrs. Wanda Wright and Pam Bailey.

Butch,

what can be said,  
we are the best of friends  
and I am sure that as the  
future unfolds we will continue. I  
hope all goes well for our Senior  
vacation! Best of everything always.
